

2nd ANNUAL

CHARITY TRIVIA EVENT

Wednesday, May 2, 2018
(See Reverse for Details)

This event will be a fun night of socializing for engineers and non-engineers alike with diverse trivia managed by Geeks Who Drink, access to the great beer, kombucha, coffee, espresso, and sparkling water selection at Hops and Grain Brewing, and a delicious dinner! All this while raising money for a great organization. You may even go home with a prize!

SEAOt's objective for this event is to gather together in a social environment to raise money for Austin Habitat for Humanity and the SEAOt Scholarship Fund. Sponsorship and admission fees will help SEAOt subsidize the social portion of the event, however, at least 10% of all sponsorship and admission fees will be added to SEAOt's base donation. At the conclusion of the event, any profits and designated gifts from the event will also be donated.
